Project Number /Name: _____ Project 1 _____

Student Name(s): *Daniel Davis & Cole Amiot*

Submitted on time?	(YES)/ NO
Is Running?	19 /15
Is Running Properly? Functionality complete and correct	60 /60
Is documented?	10 /10
Readme and Make File	10 /10
Correct submission format.	5 /5
TOTAL	100 / 100

Tests for the demo:

Test cases that need to be correctly interpreted:

✓ ls –al >out.txt   (tests tokenizer and output redirection: 10 points)
✓ cp name1 name2 &   (tests tokenizer and backgrounding: 10 points)
✓ cat <in.txt >out.txt   (tests tokenizer and input and output redirection: 10 points)
✓ tar -cvf name.tar dir   (tests tokenizer without any redirection or backrounding: 20 points)

Test cases that must be recognized as errors:
✓ ls & -al >out.txt (tests tokenizer and correct interpretation of backgrounding: 5 points)
✓ ls -al >out.txt & & (tests tokenizer and correct interpretation of backgrounding: 5 points)

Comments: *Good Work*
